30th March, 2023

Dear Parents,

Bright Stars 2023

Your children will hopefully have told you that we are taking part in the Bright Stars project next half term. Bright Stars is a project created and organised by the Centre for Leadership and Performance and is an amazing opportunity for our budding entrepreneurs to work alongside businesses to develop their own business idea into a fully-fledged business, raising money for our school and chosen charity. We have been partnered with Penrith Building Society who will help the children in the development of their business. We will be raising money for our school and the North West Air Ambulance.

We are very excited about this and the children have been busy creating their company. Their company is 'Happy Hesket Stores' and they will be holding an event on the afternoon and early evening of Friday 19th May as part of this - save the date, if you can, as they would like you to be part of it!

One of the things the children are keen to do is organise a plant stall. They would like to plant, grow and sell plants and have asked us to ask if you could help. They are looking for donations of seeds to plant and grow in school after the Easter holidays, ready to sell at their event on the 19th of May. They are particularly keen to grow:

- Sunflowers
- Sweet Peas
- Marigolds
- Nasturtiums

If you are able to donate a packet of seeds, we would be very grateful - only one packet per family please.

Many thanks for your help,

Happy Hesket Stores and Mrs Leanne Day
