4th May 2023

Dear Parents,

Happy Hesket's Big Day

Friday 19th May

3.15pm

We, the Year 4 children, have set up a company called 'Happy Hesket Stalls' as part of the Bright Stars project. Bright Stars is a project created and organised by the Centre for Leadership and Performance and is an amazing opportunity for our budding entrepreneurs to work alongside businesses to develop their own business idea into a fully-fledged business, raising money for our school and chosen charity. We have been partnered with Penrith Building Society who will help the children in the development of their business. As a company we are working in partnership with Penrith Building Society to make the £50 budget we started with grow! This will include 'Happy Hesket's Big Day' on the 19th May at 3.15pm.

At the Big Day, we will have a café and be selling plants and other items. The café will include cakes and bakes, tea, coffee and juice - all made by us! All of the plants have been planted and nurtured by us! In addition, there will be games to play and other stalls to visit.

Any profit we make will be split equally between our school and The Great North Air Ambulance. At school we would like to use any money towards the purchase of more Chromebooks and we have chosen to support The Great North Air Ambulance because they save the lives of many people, including someone from our school!

We are writing to you to request some donations for Happy Hesket's Big Day. It would be great if you could go through any toys and books at home and donate any you no longer need. These can be brought to the Y4 classroom anytime from now until Thursday 18th May. It would also be great if any of our parents wanted to help us run the event on the day. Please let Mrs Day know if you are available.

We would love it if you would attend our Big Day, so that we can raise as much money as possible and support the causes we have identified.

We look forward to seeing you there!

The Whole Team at Happy Hesket Stalls
