

HIGH HESKET C of E SCHOOL (VC)

High Hesket, CARLISLE, Cumbria CA4 0HU TEL: 016974 73386

Head teacher: Mrs A Harvey

Email: head@high-hesket.cumbria.sch.uk Website: www.high-hesket.cumbria.sch.uk

Dear Parents,

I am writing to provide details of how to access remote learning for your child during the period that your child is required to self-isolate. We will inform you as soon as we know whether the children will return to school before half term. If they do not, then remote learning will be provided for Wednesday, Thursday and Friday of this week. We appreciate your patience and understanding during this difficult time and encourage you to contact the school if you need any help or support with accessing the materials. The remote learning provided has been designed to support and continue the current curriculum for your child's year group.

Curriculum learning:

We will be providing daily activities and communication through Google Classroom. To access this, you will need to either download the mobile app or access it via an internet browser.

To access your child's classroom visit www.classroom.google.com or open the mobile app. Sign in using your child's login details which will be sent to you directly.

Once logged in, the children will be able to access the activities and assignments that have been added by the class teacher. The children can also upload their work for the teacher to see and will receive feedback on their work if they do so. They may also bring their work into school with them after half term.

Additional online activities

The children can continue to access their Spelling Shed, Maths Shed and times table rockstars online learning accounts during this period. You should have already received your child's logins earlier in the term as part of the homework information but please get in touch if you need these sent to you again.

Bubble social catch ups

If we do not return to school this week, we will hold a Zoom social catch up on Friday. If this is the case, then joining instructions will be shared with the children in Google Classroom on Thursday 22nd October.

When engaging with the session we ask that parents and children adhere to the following:

- *Each child will need to have a supervising adult present who can also be seen on screen at the start of the session.*
- *Please ensure everyone considers appropriate communication, clothing and background before joining in with the session.*
- *Please do not video, photograph or screenshot the session.*

Checking in

If you have any queries regarding remote learning then you are welcome to contact school directly if you need any additional support or information by emailing head@high-hesket.cumbria.sch.uk or you class teacher's direct email which was provided on the year group welcome letter at the start of term.

I hope that the above information enables you to access your child's learning whilst it is necessary to work remotely. Please feel free to contact the school to discuss anything further or to share any queries you may have.

Yours sincerely,
Mrs A Harvey
