Friday 6th November 2020

Dear Parents,

Parent's evening information (Year 1-6)

This year, I am sure that you can appreciate that we need to organise our parent's evenings in a slightly different way as we are not able to offer face to face meetings as we would do normally. Instead, we are offering parents the opportunity to speak to class teachers over a Zoom video call or a normal telephone call, depending on your preference.

The calls will take place during the **week commencing Monday 30th November 2020** and your child's teacher will be in touch to provide the opportunity to book a slot during the course of the designated week. The parent's evening call will take no longer than ten minutes and will focus on discussing how your child has settled in to the new academic year. Please note that, if you request a phone call, the call may come from a withheld number and that, when responding to the class teacher, please ensure they have the contact number that you wish to be called on.

We will do our best to accommodate all requests but appointments for siblings may need to take place on different days. Parents of children in Early Years do not need to book an appointment as their meetings were held prior to half term.

You should be contacted with further details from the class teacher by Monday 16th November so please don't hesitate to get in touch after this date if you have not received additional information.

Yours sincerely,

Mrs A Harvey
